

Access Controls / Locks

# SF-SLRELAY-BT

## Bluetooth Relay

### Access Control Accesories

Range of accessories for access control devices. Large installations always need different modules that can facilitate the installation, such as brackets or card and fingerprint readers to make data collection easier and more convenient.

- Intelligent Bluetooth Relay
- Normally Open system (NO)
- Invited users without being nearby
- Empty, family and rental housing
- Adaptable and versatile solution
- Free management and opening app

## Technical Specification

|                     |                                                                                                                                 |
