

Access Controls / Locks

SF-SMARTLOCK-BT

Bluetooth SmartLock 35x35mm Cylinder

Access Control Accesories

Range of accessories for access control devices. Large installations always need different modules that can facilitate the installation, such as brackets or card and fingerprint readers to make data collection easier and more convenient.

- Bluetooth Smart Lock
- European motorized cylinder 35 x 35 mm
- Invited users without being nearby
- Empty, family and rental housing
- Physical key for manual opening
- Free management and opening app
