

Video-intercoms / Outdoors Station

SF-VIMOD-DISP-MF

Outdoor station

Modular Outdoor Station

The line up of modular video intercoms is aimed at all types of environments, villas or apartments. Aesthetic and compact design, suitable for all types of installations thanks to its IP or 2-wire communication modes. 2MP camera with perfect visualization of the entire environment thanks to its 180° image angle, it also stands out for its night image. Second door activation function for users who need it. With different functionalities that every type client wants such as two-way audio, remote access from the app and remote door unlocking. It has a possible add-ons of different modules to make it more complete such as unlocking by cards or password or calling the different apartments.

- Safire Extension Module
- LCD Screen 4"
- Numeric Keypad
- Tenant list
- Identification MF Card Reader
- Outdoor Installation

Technical Specification
