N-MC-AFM-R

MCP Accessory - Intelligent Flush Mount Adaptor - Red

General

The innovative range of enhanced intelligent devices offer advanced features for reliability and peace of mind. Coupled with patented features for ease of installation and maintenance of both new and legacy fire detection systems, it's a perfect match for exceptional overall performance.

The N-MC-AFM-R manual call point recess mount accessory allows for mounting the ActivSense series manual call points on an embedded wall box. Recess mounting reduces the overall protruding height of the manual call point substantially thereby improving the aesthetics of the device when fitted to the wall.

Details

- Allows for easy manual call point recess mounting, reducing the height of the manual call point on the wall
- Various fitment options allow for installation on most high quality European wall boxes
