6-Piece Foldup Hexagon Key Set

2.5 → 8 mm

This ADI Pro folding hex key set is the perfect addition to the professional installer's tool kit. This folding style set is a handy way to keep differing allen key sizes all in one place. The ergonomic case design features rubberised sections for added grip, and a practical lever for easy key selection. Its compact design means it can fit comfortably in your hand or be stored easily in a pocket or pouch.

WBXHEX6PC
