INSULATED SCREWDRIVER SET

7-piece Slotted / Pozidriv + Tester (VDE)

This ADI Pro 1000V insulated screwdriver set is the perfect addition to the professional installer's tool kit. The screwdrivers are VDE approved, meaning that they have been thoroughly tested and certified, giving you the confidence needed when working on live wires up to 1000 V. The screwdrivers feature smooth, ergonomic handles, making the hand tools comfortable to use for extended periods of time.

WBXSCSET7PCVDE

FEATURES

VDE approved, suitable for live working up to 1000V AC or 1500V DC

Chrome Vanadium Molybdenum steel blade

Phosphate coated tip for increased friction on fixings, reducing the risk of rounding or damaging the screws

Ergonomic soft-grip handle & premium-quality plastic for a comfortable grip

Set features Slotted and Pozidriv screwdrivers in popular sizes

VDE voltage tester included

Individually tested as per DIN EN 60900: 2018 norm
