

WH 500

E-NR: 6309848

Weather Protection Housing

Weather protection housing in metal with internal heater for VD 500, VD 400 and CD 400. For cold areas or outdoors, keeps the humidity away.

The box has built-in 150-ohm resistor that functions as internal heating.
The current consumption of the resitor is 80 mA / 1W at 12V AC / DC and 160mA / 4W at 24V AC / DC, in both cases the effect is enough to prevent from a moisture inside the housing.

The housing is equipped with an UV-resistant cable gland in plastic that can handle a cable diameter of 4.5-10 mm and which is also adapted to protect the cable with our flexible metal hoses MC T2, T4 or T7.

TECHNICAL DETAILS

Current consumption	1W / 80mA @ 12 V AC/DC, 4W / 160mA @ 24 AC/DC
Dimensions (L x W x H) mm	115 x 65 x 32
Product type	Other
Environment	Indoor, Outdoor
Product type 2	Weather shield
Product feature	Accessory, Surface-mounted
